

21-23 September 2023 // Split, Croatia

Call for Posters/Abstracts Session

SoftCOM 2023 conference will be held on September 21 - 23, 2023 in Split, Croatia.

We are soliciting technical contributions showing innovative and original research including presentations of patents and applications. Demonstrations of ICT prototypes are welcome. Contributions by PhD students which present innovative approaches, methods and applications developed in their research are particularly welcome. SoftCOM 2023 will offer a pleasant open space in the Conference hotel for presentation of Posters and Demos. Topics of interest are, but not limited to, as listed in the [Call for SoftCOM 2023 General Conference](#).

Three-page abstracts should be submitted for a peer review. Accepted and presented Posters will be submitted to IEEE Xplore as well as other Abstracting and Indexing (A&I) databases. Authors must be present and available for discussion during the Poster/Demo sessions. No show will preclude publication in the Proceedings/IEEE-Xplore. Authors are invited to submit a poster/demo via [EDAS](#).

All posters/demos will be considered for the Best Poster/Abstract award.

More information about the Conference including details on the submission process and authors kit is available on the website: <https://2023.softcom.fesb.unist.hr/>.
